

P.O.T.A.T.O.E.S.

PEOPLE OF TOMORROW APPLYING THEIR OUTSTANDING ENGINEERING SKILLS

In the ESHS Robotics Club, also known as the "P.O.T.A.T.O.E.S.", members build robots designed to accomplish a specific task. Participate in the FRC Competition, VRC Competition, the Drone Club and many other clubs, which are a part of the Robotics club! Every year, the club is hosted by talented and dedicated mentors, coaches and officers. Join the prestigious club and enjoy many benefits listed below!

- Gain knowledge related to programming, 3D modeling, and building robots
- Develop skills vital to any S.T.E.M. field
- Expand scholarship and internship opportunities
- Amass knowledge from dedicated and experienced mentors
- Show your dedication and knowledge to college administrators via college applications
- Robotics Club is NOT just for S.T.E.M. majors!
- Meet every **WEDNESDAY, 3:00** @ Engineering Lab
- Contact ekofler_19@esusdstudents.org for more information!
