

Welcome to E.S.H.S.
P.O.T.A.T.O.E.S.
Robotics Club!

About the Robotics Club

- ◊ The club is comprised of a group of people that love to work with robots!
- ◊ Club members work in various groups and compete among one another to build the best robot by using teamwork and collaboration
- ◊ We have a ton of fun building, programming, and exploring the world of robotics

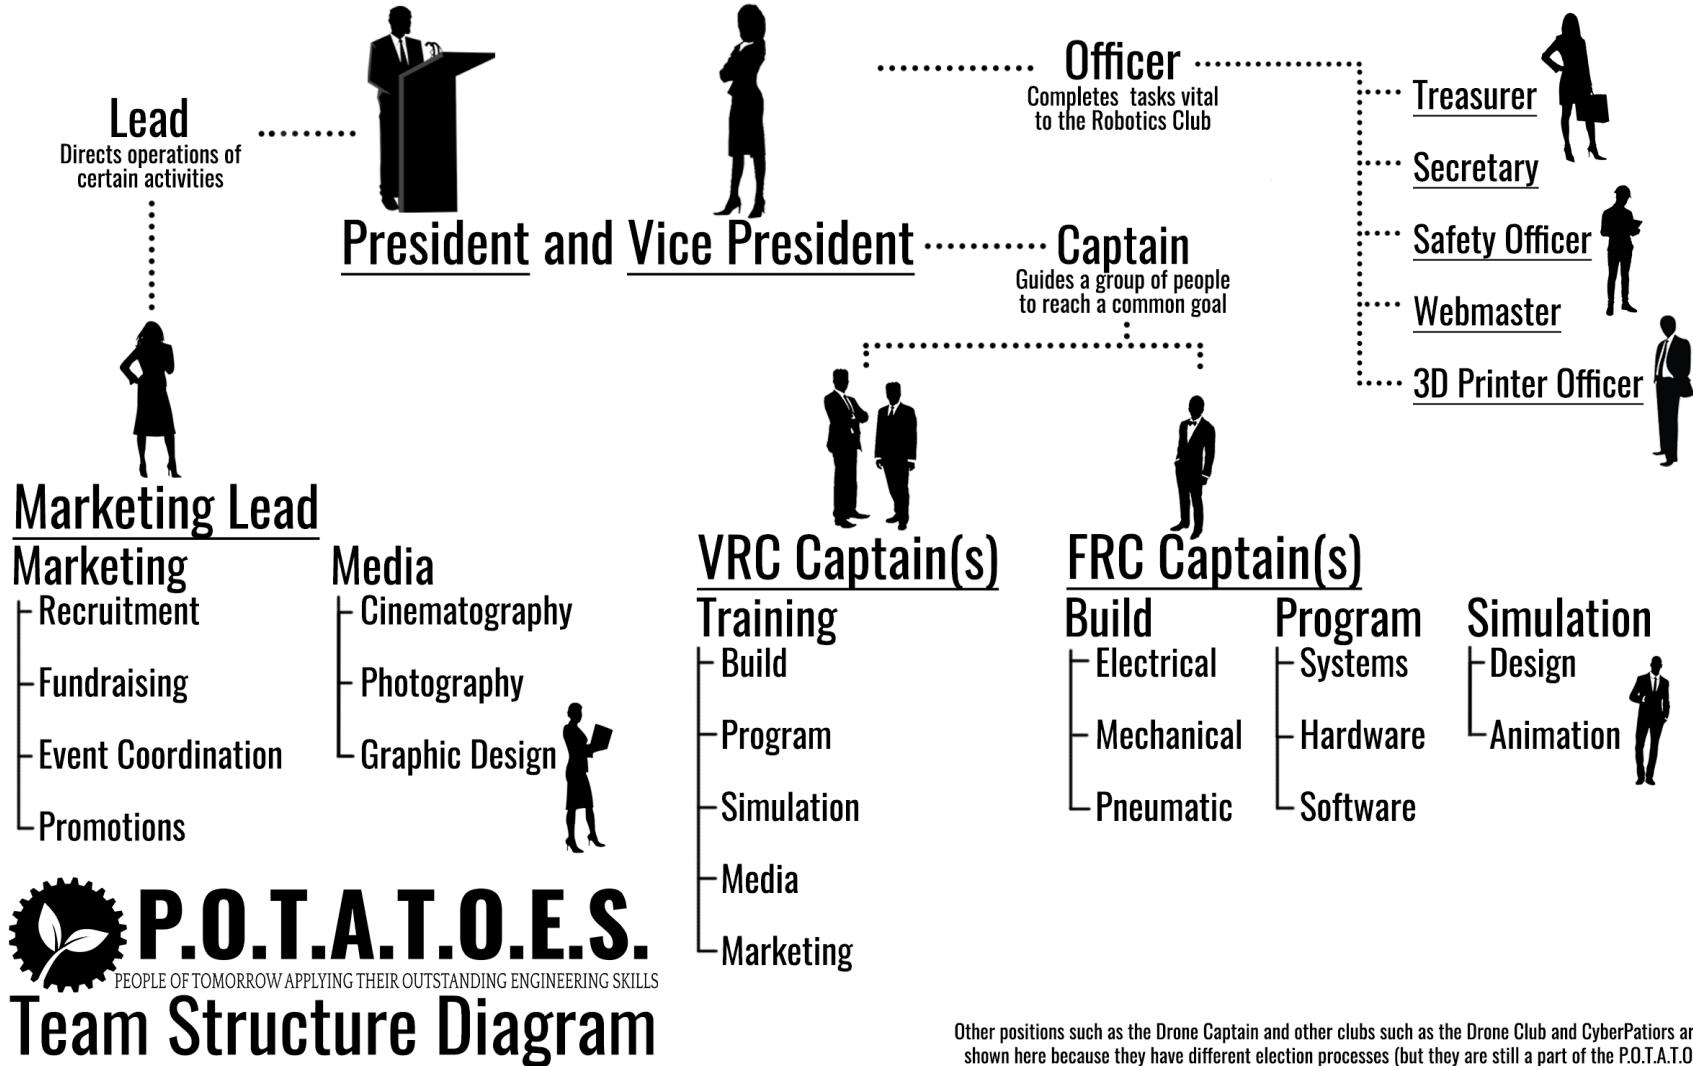

How We are Organized

- ◊ The robotics team is composed of sub-clubs and competitions. They include:
 - VRC Competition (VEX Robotics Competition)
 - FRC Competition (FIRST Robotics Competition)
 - Programming Club
 - Drone Club
 - Computer Science Club

Other positions such as the Drone Captain and other clubs such as the Drone Club and CyberPatiors are not shown here because they have different election processes (but they are still a part of the P.O.T.A.T.O.E.S.).

Communication

- ◊ Communication is vital for the E.S.H.S. P.O.T.A.T.O.E.S. Robotics Club
- ◊ Must use communicate with your team at all times and use Slack for P.O.T.A.T.O.E.S. conversations
- ◊ Visit the GitHub Wiki if you want to learn more about the various competitions

Mandatory Attendance

- ◊ For any part of the Robotics Club you participate in, attendance is mandatory
 - ◊ Every day, sign the attendance sheets with a date, sign in time, and a sign out time
 - ◊ As a member, you must inform other officers that you cannot make it to a meeting
 - ◊ Individuals can “miss” up to two non-consecutive meetings; any more misses might cause the individual to be removed from the club
- 

Rules

- ◊ Respect and treat club members, coaches, and mentors the way you would want to be treated
 - ◊ Use power equipment with supervision from mentors or faculty
 - ◊ Use goggles when in the lab area
 - ◊ No throwing or eating in the lab
 - ◊ Clean up the lab during the last 30 minutes of the meeting
-
